## Satisfactory Completion

Learners must listen to each self-directed audio recording while following along with the visual slides/read the articles, and complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. You must participate in the entire activity as partial credit is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

## Joint Accreditation Statement

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and American Venous Forum. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Amedco Joint Accreditation Provider Number: 4008163

Professions in scope for this activity are listed below.

## Physicians

Amedco LLC designates this material for a maximum of 27.75 AMA PRA Category 1 Credits™ for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## American Board of Surgery (ABS) MOC

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME requirements of the American Board of Surgery's Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit. Max of 27.75 CME.

***You must request your certificate within 45 days of the activity to meet the deadline for submission to PARS. Credits are generally reported during the first week of each month for those who claimed during the month prior.***

## Objectives - After Attending This Program You Should Be Able To

1. Educate healthcare professionals about the latest developments, treatment methods, and technologies in the management of venous and lymphatic diseases.
2. Describe and present the latest clinical research, case studies, and evidence-based practices to improve patient outcomes.
3. Discuss new treatments, devices, and technologies designed to treat venous diseases more effectively, to improve care of our patients.
4. Facilitate collaboration between various specialties involved in venous and lymphatic disease care, fostering a holistic approach to patient care and management.
